Project Details

Project Title *

Is this proposal being submitted on behalf of more than one college or university? If yes, list the additional institutions beyond the one listed on the previous page:

Please describe the project in 500 words or fewer. Your description should include (1) a brief account of the challenge this project is intended to address; (2) key activities in the project, (3) significant project dates, and (4) any context that will help reviewers understand the project. *

Please select the Fund for Positive Engagement goal or goals aligned with the project: *

Engage with divergent or unfamiliar perspectives to foster empathy and understanding

Develop positive relationships across difference to lift up our common humanity

Engage in collaborative problem solving to strengthen social ties and civic vitality

Please describe any additional institution-specific goals:

Further Project Details

If all goes as you hope, how will this project lead to positive engagement? *

We are interested in identifying promising practices, so we ask you to consider the evidence your project might generate. How will you know whether you are making progress toward the project goals? What kinds of qualitative or quantitative data will you gather? How will you make sense of the data you gather? [Up to 250 words] *

How will you document the story of the project so that others can easily understand it and learn from it? (i.e. video, blog, article, etc.) *

How will the funds be spent? *

If your project is selected, would you be interested in sharing progress on the project at the 2018 Campus Compact national conference, March 25-28, 2018, in Indianapolis? *
